RE: Province Wide Teacher Strike

To Community Members,

Our school district is funded federally and locally controlled, so we are not impacted by the Alberta Teacher Strike.

- We are aware that some families may be interested in transferring their students to Waka Mne Elementary/Chief Aranazhi School and/or Outreach/Cyber School school or are seeking temporary registration during this time.
- To ensure fairness and protect the quality of learning, we are placing all new student registrations on a temporary waiting list from October 6th to 24th.
- After October 24th families will be contacted if a space becomes available.

This 3 week period allows us to:

- Assess our class sizes, staffing and resources to determine how many new students we can accept.
- Plan and adjust supports so that new students that are accepted can be welcomed without affecting the quality of education for all students.
- Our priority is maintaining a safe, balanced, and high-quality learning environment for all students.

Families on the waiting list will be contacted if space becomes available. We appreciate your patience and understanding. Our priority is the well-being of students and staff, and ensuring

Alexis Board of Education
