NOTICE TO ALEXIS BAND MEMBERS Re: Alexis Constitution Project

Abawashded,

On behalf of the Council, I am pleased to inform the membership that we have established a Research Team that will be contacting members throughout the summer to participate in the Alexis Constitution Project Research.

Councillor Hank Alexis will be leading this project on behalf of the Council. The Council has tasked our in-house legal, Deanne Kasokeo, LLB (Constitution Project Manager) to work on this project for our Nation. Deanne is working with 8 band members to survey the community. **Interviews will begin July 2, 2019.**

As well, the Council will be hosting a Community Information Session (August 2019 - TBA) to continue the discussion on what should be included in our constitution. In the future, we hope to provide a regular space where members can be more active in providing feedback on policy. We appreciate your continued support and confidence.

For further information on this project, please contact Councillor Hank Alexis at email: hank.alexis@ansn.ca / cell: 780-490-8464 or Deanne at email: dkasokeo@ansn.ca / cell: 1-306-317-8090. We look forward to visiting with you.

Ishnish,

Chief Tony Alexis

c.c. Band Council
